

## NOTICE

Notice is hereby given that the Board of Commissioners of Mifflin County will hold a public hearing on \_\_\_\_\_, 2025, at the \_\_\_\_\_ for the purpose of informing and taking public comment on an Ordinance amending the Mifflin County Subdivision and Land Development Ordinance to set forth requirements for solar energy systems. After the public hearing the Board of Commissioners will consider the enactment of the Ordinance at their regularly scheduled meeting.

A summary of the Ordinance is as follows:

Article 1 of the Ordinance amends §2.200 of the Mifflin County Subdivision and Land Development Ordinance (SALDO) by adding definitions applicable to solar energy systems. Section 2, Article 4 (§4.215) of the Mifflin County SALDO is amended to delete solar orientation and energy conservation and add a new section entitled Solar Energy Systems. This section provides design criteria for accessory solar energy systems and solar energy facilities (Principal).

The Ordinance provides the design requirements for solar energy facilities and also includes decommissioning requirements for solar energy facilities.

A copy of the Ordinance is available for inspection at \_\_\_\_\_, is available on the County website, and a complete copy is available at the offices of the Lewistown newspaper.
